Hall County, NE- Transit Service Provider

Brown Transit

At a regular meeting of the Hall County Board of Commissioners on July 14, 2026 the Board choose to give a 90-day notice to Brown Transit for an end of service. Let this letter serve as notice that the County would like to end operational service of Hall County Rural Transit effective October 31, 2026. We appreciate the service provided from Brown Transit. This decision has been prompted by the shortfall in the funding received from the State and Federal allocations for public transit.
