***Shaded agencies on the list have age and/or type of charge restrictions*

Check out current volunteer opportunities in our area at Heartland United Way @ www.Go2Volunteer.org *NOTE: The Heartland United Way is a complete list that is available to the entire community so please be aware that some of the agencies listed may have age restrictions or may not allow Diversion participants.

This is a list of suggested places that you can do your community service hours. You can also complete your hours with other non-profit organizations (examples: churches, nursing homes, schools . . .) You can do your hours at more than one place. If you live outside of the Grand Island area you can complete your hours with places that are similar to the ones listed above in your town –such as your own local schools, YMCA, Chamber of Commerce, County Offices, thrift store, etc. You can always check your local newspaper or search the internet for upcoming events in the town – for things like pancake feeds, parades, running races, school events, etc. – and then contact the agency that is hosting the event to see if they need some help.

****If you have any questions about a certain place that is not on this list -- please contact the Juvenile Services Office first to verify that it qualifies as a non-profit community service agency before you begin doing your hours.**
